

YOUR SUPPORT HELPS OVERCOME BARRIERS TO OPPORTUNITY

Every day we meet individuals ready to make a change. Whether their barriers to economic opportunity are related to language, culture, housing or lack of work history, people have found a path to success through Goodwill.

Seattle Goodwill Industries is a 501(c)(3) nonprofit organization committed to job training and education. We strive for efficiency with the resources you entrust to us. This year about 80 percent of our community financial donations and net proceeds from our retail thrift operations funded programs that positively changed lives. Thank you for being partners in our efforts.
